

from 9 a.m. to 4:45 p.m. and on August 8, from 8:30 a.m. to 2 p.m.

The proposed agenda will consist of discussion sessions on the Advisory Committee's activities pertaining to the Title IV programs including the delivery system, budget reconciliation and appropriations, reauthorized, and other legislative proposals. In addition, the Committee will discuss plans for fiscal year 1996. Space is limited and you are encouraged to register early if you plan to attend. To register, please fax your name, title, affiliation, complete address (including Internet and E-Mail—if available), telephone number, and fax number to the Advisory Committee staff office at (202) 401-3467. If you are unable to fax, please mail your registration information or contact the Advisory Committee staff office at (202) 708-7439. Also, you may register through INTERNET at Hope_Gray@DOED.gov. The registration deadline is Tuesday, August 1, 1995.

Records are kept of all Committee proceedings, and are available for public inspection at the Office of the Advisory Committee on Student Financial Assistance, 1280 Maryland Avenue, SW., Suite 601, Washington, DC from the hours of 9 a.m. to 5:30 p.m., weekdays, except Federal holidays.

Dated: July 19, 1995.

Brian K. Fitzgerald,

Staff Director, Advisory Committee on Student Financial Assistance.

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Project No. 2110 Wisconsin]

Consolidated Water Power Company; Notice of Intent To File An Application For A New License

July 19, 1995.

Take notice that the Consolidated Water Power Company, the existing licensee for the Stevens Point Hydroelectric Project No. 2110, filed a timely notice of intent to file an application for a new license, pursuant to 18 CFR 16.6 of the Commission's Regulations. The original license for Project No. 2110 was issued effective January 1, 1977, and expires June 30, 2000.

The project is located on the Wisconsin River in Portage County, Wisconsin. The principal works of the Stevens Point Project include a concrete

gravity dam about 28 feet high and 1,390 feet long composed of a powerhouse section, a spillway section with fifteen tainter gates, also dikes at the ends of the dam; a 3,915-acre reservoir at elevation 1,088.07 feet; a 2,000-foot-long concrete overflow weir located about $\frac{3}{4}$ mile upstream of the dam at elevation 1,088.57 feet USGS datum; a powerhouse with six generating units each rated at 640-kW; generator leads and the 2.3/46 kV substation; and appurtenant facilities.

Pursuant to 18 CFR 16.7, the licensee is required henceforth to make available certain information to the public. This information is now available from the licensee at 610 High Street, Wisconsin Rapids, WI 54495.

Pursuant to 18 CFR 16.8, 16.9 and 16.10, each application for a new license and any competing license applications must be filed with the Commission at least 24 months prior to the expiration of the existing license. All applications for license for this project must be filed by June 10, 1998.

Lois D. Cashell,

Secretary.

BILLING CODE 6717-01-M

[Project No. 2192 Wisconsin]

Consolidated Water Power Company; Notice of Intent To File An Application For A New License

July 19, 1995.

Take notice that the Consolidated Water Power Company, the existing licensee for the Biron Hydroelectric Project No. 2192, filed a timely notice of intent to file an application for a new license, pursuant to 18 CFR 16.6 of the Commission's Regulations. The original license for Project No. 2192 was issued effective August 1, 1980, and expires June 30, 2000.

The project is located on the Wisconsin River in Wood County, Wisconsin. The principal works of the Biron Project include a 2,533-foot-long, 34-foot-high concrete gravity dam with intake section, three spillway sections, and 22 Tainter gates; a concrete seawall and earth embankments along the banks of the reservoir; a 2,078-acre reservoir at elevation 1036.1 feet USC&GS datum; a powerhouse, integral with the dam, containing two 1,450-Kw generators and an industrial building with one 400-Kw generator; generator leads, 2.4/46 Kv transformer bank, and 46 Kv bus in the substation; and appurtenant facilities.

Pursuant to 18 CFR 16.7, the licensee is required henceforth to make available certain information to the public. This

information is now available from the licensee at 610 High Street, Wisconsin Rapids, WI 54495.

Pursuant to 18 CFR 16.8, 16.9 and 16.10, each application for a new license and any competing license applications must be filed with the Commission at least 24 months prior to the expiration of the existing license. All applications for license for this project must be filed by June 30, 1998.

Lois D. Cashell,

Secretary.

BILLING CODE 6717-01-M

[Docket No. RP95-388-000]

El Paso Natural Gas Company; Notice of Tariff Filing

July 19, 1995.

Take notice that on July 14, 1995, El Paso Natural Gas Company (El Paso), tendered for filing pursuant to Part 154 of the Commission's Regulations Under the Natural Gas Act and in compliance with the Commission's Order Granting Rehearing (Order No. 577-A) issued May 31, 1995 at Docket No. RM95-5-001, certain revised tariff sheets to its FERC Gas Tariff, Second Revised Volume No. 1-A.

El Paso states that the tendered tariff sheets reflect the Commission's revision of Section 284.243(h)(1) of its Regulations and provide for the extension of the exception which allows shippers to release capacity without the advance posting and bidding to 31 days.

El Paso, pursuant to Section 154.51 of the Commission's Regulations, respectfully requests waiver of the notice requirement of Section 154.22 of said Regulations to permit the tendered tariff sheets to become effective on July 10, 1995 which is the date Order No. 577-A became effective.

El Paso states that copies of the filing were served upon all of El Paso's interstate pipeline system transportation customers and interested state regulatory commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street NE., Washington, DC 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests should be filed on or before July 26, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party
